Italia del Nord

The Italia del Nord is a masterpiece of craftsmanship and design, reminiscent of the work of Northern Italian craftsmen from the early 20th century. Richly carved and intricate in detail, an abstract floral pattern bursts from the contoured center. Available in 19" and 24" diameter bowls, the Italia del Nord is appropriate for dining rooms, foyers, and other moderate-to-large spaces. Modeled after a 1912 original. *Subject to availability.* Italia del Nord also shown on page 33.
